

Guidelines

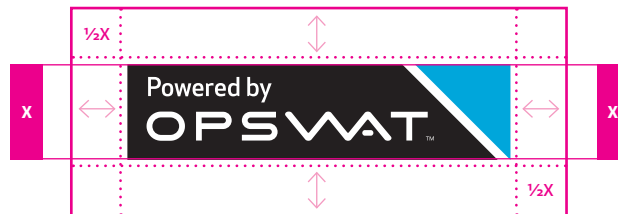

These guidelines indicate the correct usage for the Powered by OPSWAT badges. The badges contained herein are for use only by OPSWAT certified partners whose applications have been evaluated and issued certification by OPSWAT, Inc. staff. They are not to be altered or changed in any way.

For any additional requests or questions regarding Powered by OPSWAT badges, please contact us at poweredby@opswat.com.

Clear Space

Clear space is the minimum "breathing room" maintained around the badge. It should be kept free of graphics, text and other marks.

Minimum Size

These are the minimum sizes allowed for the badges.

Screen: 90px

Print: 1.25 inches

Incorrect Usage

Following are some examples of badge usage that violate guidelines. As certification is an enhancement of a product's marketability it is important that the proper certification symbols are used.

Never alter the colors in the badge.

Never tilt the Badge.

Never distort the badge.

Do not add effects to the badge.

Do not use a background image that competes with the visibility of the badge.
